

In 2000 KURE Foundation and DLMF Inc. opened the Rose of Sharon Children's Home in Gudular, India. Dwain and Janet have secured the help of Pastor Thomas George, as the Director. It presently houses 15 children and 4 full-time staff members. Paster George lives in his own home.

Dwain and Janet are in the process of raising funds to build a new dormitory to house more children. The planned facility will include guest quarters for future ministry teams to stay.
